

Healthy mosquito killing

A new era of easy mosquito killing

Bionic technology, guarding the health of the whole family

Centrifugal pressure

360° air intake

Purple line light lure

Forming a wind column

Cyclone pressure

Simulating the human breath

Biomimetic gas

Note: The built-in mosquito trap is combined with the purple light double layer to attract mosquitoes, and the effect is better.

Mosquito trapping system

01. Bionic mosquito

365 mosquito spectrum

02 . Mosquito trap

Herbal extract

03.seven leaf fan

2000rpm large speed fan

04.vortex capture

Prevent mosquitoes from escaping

05、 Funnel escape

Funnel type mosquito box

physical anti-mosquito

The mosquito storage box is designed to prevent escape, and the pure physics will dry the mosquitoes.

Convenient

Removable mosquito box
●●●●●

After using for a period of time, the mosquito box and the safety net can be removed by rotating clockwise to clean the fan blades at the same time.
